

## BUMC Children's Music Ministry Leaders

Kidzpraise! director Mary Bisciglia has been involved with children's music at Bethany for 20 years. You see her singing in many choirs at Bethany, and you will also notice that she is in high demand as an accompanist. In addition to all of these activities, she teaches at Bethany Preschool and teaches piano at her home.

Patsy Cruser, director of JoySingers comes to us with 15 years' experience in children's church music and 30 years as an elementary music instructor, most of that time she taught music at the School for the Blind. Until recently, you've seen Patsy as co-director of Kidz Fantastik! We know the children are going to love her. In addition to participating in many music activities at Bethany, she is the author of two books of poetry, and is active in editing the two devotionals that are distributed during Advent and Easter.

Flossie Young, director of Kidz Fantastik! and Celebration Ringers also comes to us with extensive experience. She has been directing children's choirs for 30+ years. Flossie sings with the SonShine Singers and the Chancel Choir. She is director of music for House of Friends, and also teaches piano, and substitutes for Jane Olson occasionally at the Saturday service.
